

# THE BEACH

IN THIS PAGE, I WILL LOOK AT SOME OF THE TECHNIC I USE TO MAKE MY BEACH REALISTIC

THE EASIEST WAY TO MAKE A BEACH, OR WHATEVER LANDSCAPE WITH SAND, IS TO USE MANY PLATE WITH STUD.

IT MAKE THE ENVIRONNEMENT USÉ PAR LA MARCHE ET GRANULEUX COMME LE SABLE.

MOST COMMON COLORS FOR SAND ARE TAN, DARK TAN OR MEDIUM NOUGAT

MORE COMPLEX, YOU CAN USE A FILET TO MAKE RELIEF.

I ALSO LIKE USE TILE OR CIRBED SLOPE TO MAKE NATURAL SAND LIKE DUNES.
